

This vertical strip contains 18 small plots, each showing a different time series. The plots are arranged vertically and include a variety of data representations:
 

- Top 3 plots: Bar charts with varying heights and widths.
- Plots 4-6: Line graphs showing fluctuating values over time.
- Plot 7: A line graph with a prominent peak.
- Plot 8: A line graph showing a general upward trend.
- Plot 9: A line graph with multiple peaks and troughs.
- Plot 10: A line graph showing a steady increase.
- Plot 11: A line graph with a sharp peak.
- Plot 12: A line graph showing a fluctuating trend.
- Plot 13: A line graph with a sharp peak.
- Plot 14: A line graph showing a fluctuating trend.
- Plot 15: A line graph with a sharp peak.
- Plot 16: A line graph showing a fluctuating trend.
- Plot 17: A line graph with a sharp peak.
- Plot 18: A line graph showing a fluctuating trend.
